GROW WITH US

NURTURE YOUR FUTURE AT NPARKS

Stand out from a crowd and make a lasting impression on society. At the National Parks Board (NParks), our scholars challenge themselves to make a difference in our living environment.

The NParks Scholarship will give you the opportunity to develop your skills for an exciting and fulfilling career. Become a tree doctor, protect our mangroves, design a park or safeguard animal health and well-being. These are some of the diverse experiences that will broaden your horizons. You will have a career that grows with you as Singapore flourishes.

**Be part of transforming Singapore into
a City in Nature!**
